Peak Retreats offers brand new En-Route Escapes experience for its ski clients

Peak Retreats, *the* French Alps ski specialist, is offering a new concept to help its clients break up their self-drive journeys to and from the French Alps. Adding to their range of en-route hotels, the ‘en-route escapes’ concept allows skiers to explore more of France on their way to or from their ski holiday. Each accommodation has been selected to offer a true sense of escapism while being located a short drive from the main routes between Calais and the Alps.

Vine Dining: Peak Retreats’ new experience includes vineyard hotels in world-famous wine regions such as Burgundy and Champagne.
